HSC, Science, Pune University   2019 - 2021

SKILLS

Technical Skills	HTML, CSS, Javascript, Csharp, Asp.net, Core.Net, Java, Python, SQL
Soft Skills	Communication, Teamwork, Problem Solving, Time Management, Creativity

EXPERIENCE

IT Intern   Jul 2024 - Jan 2024
Fibre2Fashion   *Ahmadabad, Gujarat*

- Build Inquiry Management project using Asp.net web form, Csharp and SQL skills.
- Created various pages like insertion form, login page, registration page, dashboard with gridview all connected with SQL stored procedures.
- Got to learn a lot from senior mentors and upgraded my skills a lot.

PROJECTS

Gym Management System. Built a Gym Management System in our final year project by using HTML, CSS, Javascript, PHP and SQL. Our Gym Management System is build for the gym members as well as the gym administration side. where members can access data like trainer and services, new offers and all about gym and Admin can login to access the dashboard and manage members payment and other data.

Inquiry Management. Build a Inquiry Management project during Internship that does CRUD operations and Interactive User Interface using HTML, JavaScript, AngularJS, CSS, SQL and ASP.NET.

EXTRA-CURRICULAR ACTIVITIES

- Successfully organized college cultural and technical fests, managing teams and coordinating various activities.
- Participated in inter-college coding events, fostering a passion for problem-solving and innovation.

LEADERSHIP

- Spearheaded the organization of college cultural events, overseeing logistics, budgeting, and coordinating with multiple departments to ensure smooth execution.
- Guided junior students in academic and career counseling, helping them navigate course selection and personal development.
